

Hello KCDA Members!

KCDA All-State Summer Choir audition events for the Soprano/Alto Choir, Tenor/Bass Choir, and the Jazz Choir are currently live on the [Festival Scores](#) website. You can follow the links below to the Honor Choir pages to access the audition application packet, student and director audition forms, audition music, clinician information, and for more details regarding the audition submission process.

Singers may audition for both the Jazz Choir and either the S/A or T/B Choir. Singers auditioning for two groups will be required to pay two audition fees. If a student is accepted to both choirs, jazz choir acceptance will take priority.

We have moved to a completely digital system. There are no papers to mail unless you have to pay with a check! You will only need to mail an invoice and check if you cannot access Paypal (Paypal payments can be sent to: kansaschoral@yahoo.com)
